

MIDAS # 5232
MEETINGHOUSE POND

PHIPPSBURG TWP, SAGADAHOC CO., MAINE

AREA 4 ACRES

MEETINGHOUSE POND

Phippsburg Twp., Sagadahoc County
U.S.G.S. Phippsburg, Maine

Fishes

Largemouth bass
Yellow perch

Golden shiner
American eel

Physical Characteristics

Area - 4 acres

Maximum depth - 20 feet

Temperatures:

Surface - 76⁰F

20 feet - 50⁰F

Principal fishery: Yellow perch

Historically, Meetinghouse Pond was stocked with brown trout, but when these stocking failed to provide an acceptable fishery it was terminated. An oxygen deficiency at depths greater than 10 feet seriously handicapped the success of this program. No further stocking of coldwater fish species should be considered.

Largemouth bass were transferred to Meetinghouse Pond in 1989 with the goal of providing additional sportfishing opportunities to the area.

Surveyed - September, November, 1953

Revised - 1954, 1998
